I agree to participate fully in this event, take responsibility for maintaining acceptable behavior, and assist event leadership when asked from the time of my arrival until the end of the event.

I also agree to do my best to make this event an enjoyable experience for everyone.

Two mandatory rules:

1. There will be a minimum of two gender-appropriate adults present at all Presbytery sponsored activities involving youth. Events will take place only when adequate supervision can be provided.
2. Overnight activities will include gender-appropriate adults for the building used, unless parents are responsible for their own youth.

I agree to comply with the following adult participation guidelines:

1. The matter of touching youth needs to be handled with a great deal of thought and caution. Unwelcome or inappropriate touching is not permitted.
2. Adults should avoid one-on-one meetings when another adult cannot see what is taking place. It is preferable that one-on-one meetings not take place behind closed doors.

These rules are in place to protect the youth from the risk of sexual misconduct and abuse and to help eliminate the possibilities of false accusations from occurring. Child Protection Laws of the State of Michigan are available at the Presbytery office.
