Rev. Dr. Allen D. Timm
Detroit Presbytery
17575 Hubbell St.
Detroit, MI 48235

Dear Shepherd of the Presbytery:

As the leader of your presbytery, you understand the challenges that congregations experience in hiring new worship music leadership.

Until now, there hasn't been a resource that considers musical style, language around worship and theology from the beginning of the hiring process. Sometimes it takes until late in the interview process to uncover that the candidate sitting in front of us is not the right fit.

WorshipCurrentStaffing.com is a brand new staffing resource that specializes in worship music as an essential ministry of the church.

By posting on WorshipCurrentStaffing.com, churches have:

- **Getting Started Tools** help hiring teams collaborate and communicate effectively. Our step-by-step guides walk churches through creating compelling profiles & job posts. It has never been easier for a church hiring committee to work through the details of hiring their new musician/worship leader.
- **Comprehensive Job Seeker Profiles** bring unmatched transparency to the hiring process. Theology of Baptism and The Lord's Supper (as well as hot-button-issue positions) are part of the profiles. It saves time when interviews can begin conversations with clarity...especially when there are differences brought to the table.
- **Extra Staffing Assistance** is available to offer support to hiring teams.

We are looking forward to meeting you at the 222nd General Assembly in Portland next month. We'll be in exhibit booth 359. We'd love to speak with you in person!

In the meantime, **will you please share this resource with the churches in your presbytery?**

We value each job post so much, we are offering an opportunity to try an Extended Job Listing (a \$99 value) for **free**.

Use the Discount Code **LAUNCHTEAM** to receive your
FREE 99-day EXTENDED JOB LISTING
(valid through July 31, 2016)

Thank you for your time *and* for sharing this resource with your presbytery. For ready-to-use information, visit worshipcurrentstaffing.com/sharing.
