

WELCOME...

to the **Fort Street Presbyterian** family!

We are proud to announce that one of the most architecturally significant churches in America has chosen the **PCUSA Partners in Protection Program of the Insurance Board** for its Property & Liability Insurance.

The church has been a focal point of Detroit's skyline since the last third of the 19th Century, listed on both the National and State Historic Registries.

Thank you, Fort Street! We look forward to a long, fruitful partnership!
