** The setting aside of a Medical Reimbursable amount by a presbytery is optional. As an alternative, many presbyteries and pastors are moving away from requiring a medical deductible amount paid by the church, and opting for contributions to Flexible Spending Accounts (as approved by session) as such accounts can be used for a wider array of medical/health expenses. There is also a tax advantage for the pastor in such an arrangement. For more information and list of options please visit the Board of Pensions website, www.pensions.org.
