

Presbytery of Detroit

Administrative Commission for Joslyn Presbyterian Church

May, 2022

Update:

The AC has taken possession of the few remain physical assets of the church (communion table, font, hymnals, etc) and is in the processing of finding other churches that can utilize the materials. We have been able to rehome the table, font, and wood communion trays. We will attempt to rehome the remaining items.

We are in the process of reviewing the financial records including any possible loans.
