

Littlefield Administrative Commission Report

May 24, 2022

Rev. Tim Marvel, Ken Hollowell, Wendy Back and I have been to the Littlefield Church 4 times and met by Zoom 8 times. We have been making plans but hampered in execution by not having original jurisdiction, especially since there is no session or active congregation.

However, we have invited members and friends of the congregation to meet with us at Cherry Hill on May 22, 2 pm. Our intention is to hear any concerns and update them on what we have been doing and plan to do.

Since the building is to be demolished due to severe mold, we have been working with the non-profit, Care Village Outreach, Inc., to salvage what they can from the building to use to help with building projects for orphans in South Africa.

We are also going through the membership records to determine who still needs to be transferred or removed.

Once we have original jurisdiction, we can do a financial audit, proceed in planning to demolish building, and recommend to presbytery to close the congregation.

Rev. Kenneth Kaibel,  
Chairperson
