

**Littlefield Administrative Commission Report
November 19, 2022**

Littlefield Administration Commission, consisting of Kenneth Kaibel, Kenneth Hollowell, Wendy Beck and Timothy Marvil, continues to monitor the membership and property and records of the Littlefield Presbyterian church.

We are requesting 30 minutes of docket time at the November 19 meeting to celebrate the life and mission of Littlefield Church.

Since our last report, we have listed the building with MiRealSource. We received two offers at above asking price and accepted one. The sale has not been closed as of the writing of this report.
