

**Vision:** *Vision is what you become as a result of living your mission.*

**As the Presbytery of Detroit we commit ourselves to:**

**Empowering collaborative community in service of Christ.**

**Mission:** *Mission is what you do on a daily basis.*

**Relying** on the Holy Spirit, we follow God by **unmasking** idolatries in Church and culture, **listening** to the voices of peoples long silenced, **empowering** congregational vitality, **confronting** structural racism, and **responding** to systemic poverty.
